City of Joliet

150 West Jefferson Street
Joliet, IL 60432

Memo

File #: 534-22 **Agenda Date:**11/1/2022

TO: Mayor and City Council

FROM: James V. Capparelli, City Manager

SUBJECT:
Award of Contract for the Westside Wastewater Treatment Plant High Mast Lighting Upgrades Project to Elliott Electric Inc. in the amount of $34,420.00

BACKGROUND:
The Westside Wastewater Treatment Plant utilizes multiple high mast lights to provide site lighting. The existing high pressure sodium lights originally installed in 2002 have reached the end of their useful life and have started to fail. A set of specifications was prepared by City staff for replacement of the high mast lights at the Westside Wastewater Treatment Plant. The new lights will be energy efficient LED lights.

The Westside Wastewater Treatment Plant High Mast Lighting Upgrades Project was advertised in the Labor Record on Thursday, September 1, 2022. The Public Service Committee reviewed this memo at the October 17, 2022 meeting and recommended for approval by the full Council.

CONCLUSION:
On Monday, September 19, 2022, at 10:10 a.m., two (2) sealed bids were opened and read in the Office of the City Clerk for the Westside Wastewater Treatment Plant High Mast Lighting Upgrades Project. The bid summary is as follows:

CONTRACTOR	BID AS READ
Elliott Electric, Inc.	$34,420.00
JB Contracting Corp.	$58,877.00
Engineer's Estimate	$64,400.00

The low bid by Elliott Electric, Inc. is 47% below the engineer's estimate.

Funds will be charged to the 2022 Water and Sewer Improvement Fund / Projects / Construction (Org 50180803, Object 557200, $34,420.00).

RECOMMENDATION:
Based on the above, it is recommended that the Mayor and City Council award the contract for the Westside Wastewater Treatment Plant High Mast Lighting Upgrades Project, in the amount of $34,420.00, to Elliott Electric, Inc.
