ADDENDUM NO. 1

CONTRACT 2705-0323

2023 PUBLIC WORKS LANDSCAPE RESTORATION PROGRAM

The attention of all prospective bidders on the above referenced project is called to the following listed modification in the contract documents:

1. The original contract documents included an erroneous completion date on page 46. This page has been updated and the attached page will replace page 46 in the original contract document.

2. The original contract documents did not include No. 17 the Schedule of Prices for the bidders to complete. This page has been updated and should be inserted between pages 47 and 48 in the original contract document.

Please note: all addendums are to be acknowledged on the outside of your bid/proposal package.

percent of the total money value of the original contract price or contract price corrected as provided in the specifications, he will perform the work as altered, increased or decreased at the contract unit price.

9. The undersigned further agrees that the Engineer may at any time during the progress of the work covered by this contract, order other materials as do not appear in the proposal or contract as a specific item accompanied by a unit price, and which are not included under the bid price for other items in this contract, shall be performed as extra work, and that he will accept as full compensation therefore the actual cost plus fifteen percent (15%), the actual cost to be determined a provided in the specification.

10. The undersigned further agrees to execute a contract for this work and present the same to the City of Joliet within fifteen (15) days after the date of the notice of the award of the contract to him.

11. The undersigned further agrees that he and his surety will execute and present within fifteen (15) days after the date of the notice of the award of the contract, a contract bond satisfactory to and in the form prescribed by the City of Joliet in the penal sum of one hundred percent (100%) of the full amount of the contract within the terms of the contract.

12. The undersigned further agrees to begin work not later than ten (10) days after the execution of the acceptance of the contract and contract bond, unless otherwise provided and to prosecute the work in such manner and with sufficient materials, equipment, and labor as will insure its completion within the time limit specified herein, it being understood and agreed that the completion within the time limit is an essential part of the contract. The undersigned agrees all work to be performed as part of the initial location list shall be completed by **May 26, 2023**. A second location list shall be provided to the contractor on **August 17, 2023.** All work to be completed as part of this list shall be completed by **October 27, 2023**. Each list shall be completed by these dates unless additional time shall be granted by the Engineer in accordance with provisions of the specifications.

    In case of failure to complete the work in or before the time named herein or within such extra time as may have been allowed by extensions, the undersigned agrees that the City of Joliet shall withhold, from each sums as may be due him under the terms of this contract, the costs, set forth in the specifications of the contract, which costs shall be considered and treated not as a penalty but as damages due to the City of Joliet from the undersigned by reason on inconvenience to the public, added cost of engineering and supervision and other items which have caused an expenditure of public funds resulting from the failure of the under signed to complete the work within the time specified in the contract.

17. The undersigned submits herewith his schedule of prices covering the work to be performed under this contract.
