City of Joliet

150 West Jefferson Street
Joliet, IL 60432

# Memo

**File #:** 490-23 **Agenda Date:**10/3/2023

**TO:** Mayor and City Council

**FROM:** Rod Tonelli, Interim City Manager

**SUBJECT:**
Award of Contract for the 2023 - 2024 City of Joliet Aggregate Price Agreement Contract

**BACKGROUND:**
The 2023 City of Joliet Budget allocated funds to the support the maintenance of City roadways including the purchase of aggregate material. The Aggregate Materials Contract is a part of this program. The project was advertised on Thursday, August 24, 2023. The Public Service Committee reviewed this memo at the September 18, 2023 meeting and recommended for approval by full Council.

**CONCLUSION:**
On September 11, 2023, at 9:30 A.M, one (1) sealed bid was received for the 2023 City of Joliet Aggregate Contract. The bid summary is as follows:

**City of Joliet Aggregate Price Agreement**

| Supplier | CA-6 Public Utilities | CA-6 Roadways | CA-7 |
|---|---|---|---|
| Holcim | $11.00/Ton | $11.00/Ton | $15.50/Ton |

The proposal explains that the City will complete the hauling of the materials with City-supplied trucks. The City will enter into a contract with the above material supplier and will purchase materials based on job location (using a haul rate of $0.65 per ton mile), product availability, and what serves the best interest of the City.

It is estimated that approximately 18,500 tons of aggregate will be required for use by the Roadways Division and the Department of Public Utilities.

Sufficient funds exist for the Joliet Aggregate Contracts in the Public Works Roadways Street Repair Materials Fund (Org 09029000, Object 536107, $50,000.00) and the Water & Sewer Operating Fund (Org 50080012, Object 536107, $165,000.00).

**RECOMMENDATION:**
Based on the above, it is recommended that the Mayor and City Council enter into the City of Joliet Aggregate Price Agreement with Holcim at the unit prices noted above.
