The Consumer Confidence Report is required by the Safe Drinking Water Act (SDWA) and is intended to inform all water customers about the quality of the drinking water provided to them. Tap water was tested according to all drinking water regulatory standards.

If you are without computer access and would like a copy of the report sent by mail, please call the Public Utilities Department at (815) 724-4230. Additional information about our water is provided on our website at www.joliet.gov/water.

Did you know the City of Joliet Public Utilities Department has a quarterly water conservation incentive program for adults and kids? Participate today and learn more at RethinkWaterJoliet.org/incentive-program

Beginning in July 2026, the City of Joliet is replacing our Smart Message Community Alert system with Rave Smart 911. New enrollment is required to receive emergency information and notifications by text or email from Joliet Police, Joliet Fire, and for water outages from Public Utilities. Visit www.Joliet.gov to enroll.
